Dear Schmidt:

My commanding officer, Capt. H. F. Gardner, received your letter yesterday asking for information concerning your deceased brother, Wagoner Fred W. Roessler, of this organization, Cap-

When Roessler died a cloud of remorse was cast over his entire company. His death was a shock to this battalion and we feel that in his death we have all lost one whom we loved best. His quiet and unassuming disposition won for him many friends. To me, Roessler was a man of the highest type, and it was an exceptional privilege to have him under my command. Dear Schmidt:

It means longer wear for your clothes if you have them washed the Fels-Naptha way. If the wash is done away from home. give the woman plenty of Fels-Naptha Soap.

Then you will KNOW that no hurtful substances are used to get the dirt out—that the garments will not rot, that the seams will not come apart, and that the stitching and the colors will not fade.

Fels-Naptha makes you sure. The naptha in it dissolves the dirt. IT does the same work as hard rubbing, only without hurt to your clothes.

Nor do you have to boil the clothes to make them sweet, white and clean when you use Fels-Naptha. Boil 'em, if you like, but it isn't necessary.
